

# Login Instructions

After login to the Mac (Windows) machine, please follow the instructions from Step 1 (Step 7) given below:

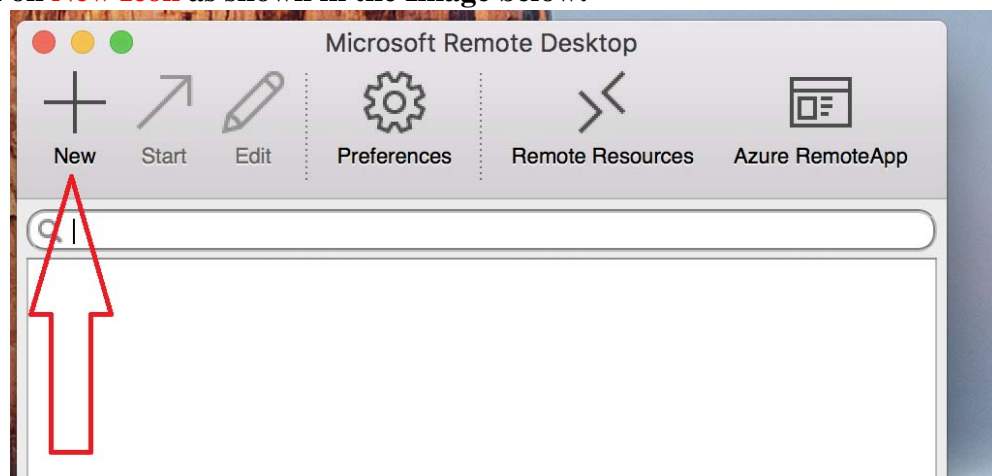

- 1) Click on the **Launch Pad** as shown below:

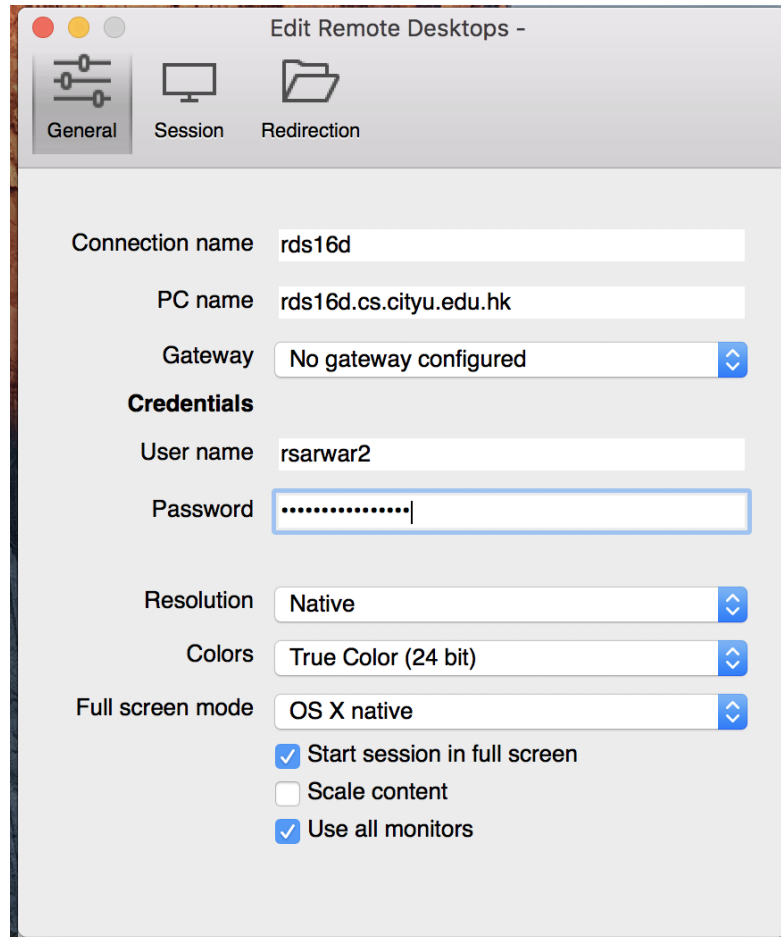

- 2) Find the application called “**Microsoft Remote Desktop**” and click on to get started:

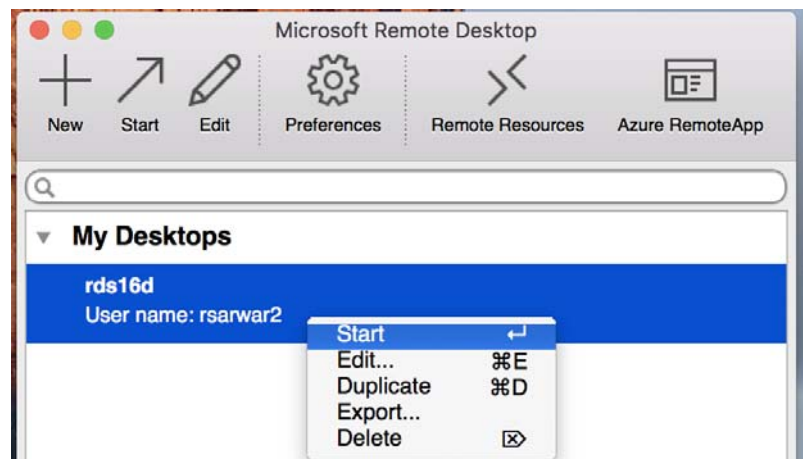

- 3) The main interface of the “Microsoft Remote Desktop” will be shown as below, then Click on **New Icon** as shown in the Image below:

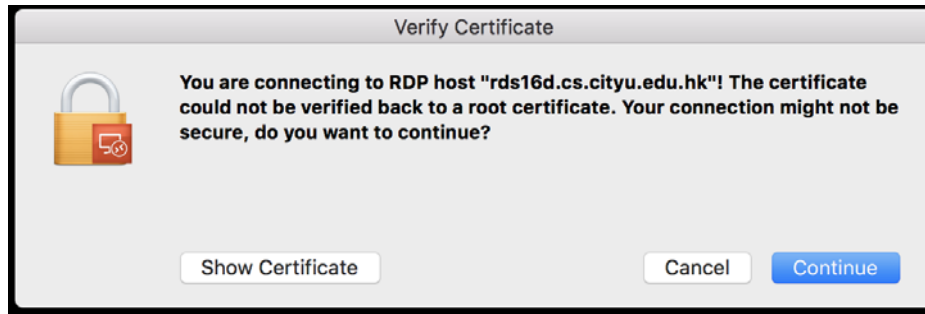

- 4) A new window will pop up. Fill in the information as shown in the Image below. For User name insert your **E-ID** and the Password is your **E-ID Password**. After filling in the information, click on the **Red** button to cancel the window.

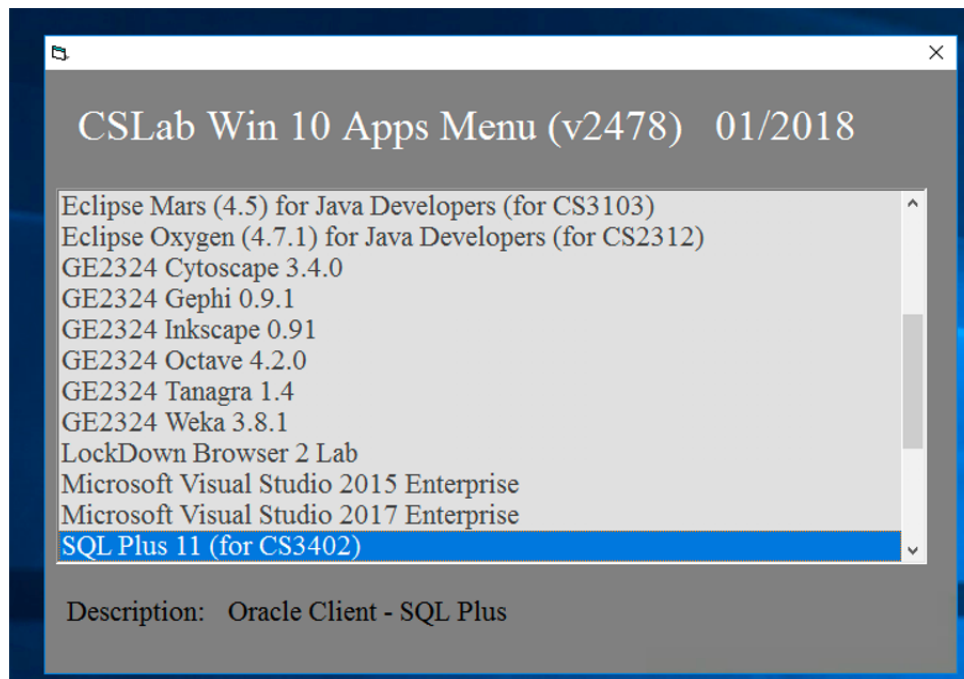

- 5) Your newly built connection is ready to use. Use the left mouse click to open the options to **start** the connection as shown in the Image below:

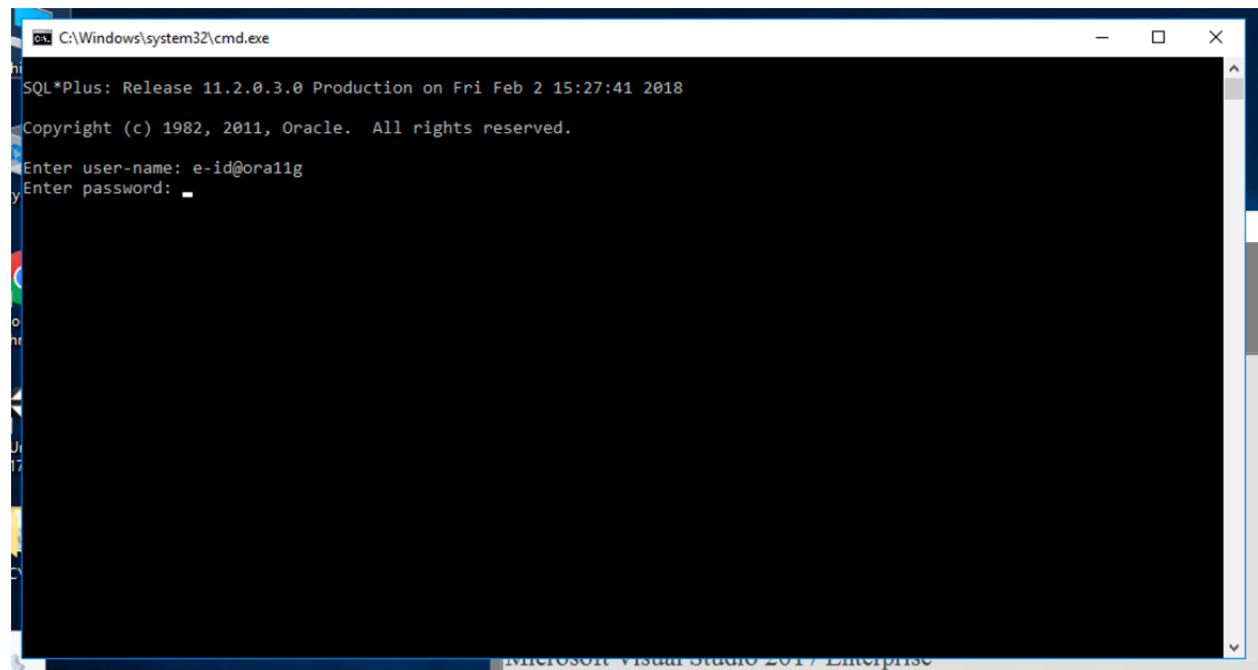

6) Click on **Continue**

7) The CS Lab Apps Menu will appear automatically as shown below. Click on **SQL Plus 11 (for CS3402)** to launch Oracle.

8) Another window will appear as shown below: Provide the User-name as **eid@ora11g** and password is your **student Number**.

A screenshot of a Windows command prompt window titled "C:\Windows\system32\cmd.exe". The window has a black background and white text. The text displayed is as follows:

```
SQL*Plus: Release 11.2.0.3.0 Production on Fri Feb 2 15:27:41 2018  
Copyright (c) 1982, 2011, Oracle. All rights reserved.  
Enter user-name: e-id@ora11g  
Enter password: _
```

The cursor is positioned at the end of the password prompt. The window is open over a taskbar that shows the Microsoft Visual Studio 2017 Enterprise icon.
